Revelations 3:20 Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

DELIVERANCE FROM HELL'S DESTRUCTION

One thing that has mystified and troubled men over the ages is the thing we call death. I was once discussing with an elderly man and He told me that God has given men lots of knowledge and understanding but He has hidden His face from man on the issue of death. We all know that in the secrecy of the hearts of all men lies the fear of death, because men have no idea of their destination having lived a life in the false illusion that they were flesh and blood entities. The bitter tears and anguish we see on the face of men at funerals is a reflection of their fear and preoccupation of the issue called death. In man's mystification of death they have formed slogans that suggest that death indeed reigns in humanity; slogans like "from dust to dust and ashes to ashes", "till death do we part", "All men must die" etc.

In this message we will look closely at what death really is, we will also discover why men actually live in fear of death, we will see where Hell and destruction generated from and light will be shed on our deliverance from it's grip.

The first burial recorded in the Bible is seen in Genesis chapter 3 when Adam died

Genesis 2:15-17 And the LORD God took the man, and put him into the garden of Eden to dress it and to keep it. **16** And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: **17** But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.

Genesis 3:17-19 And unto Adam he said, Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life; **18** Thorns also and thistles shall it bring forth to thee; and thou shalt eat the herb of the field; **19** In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return.

I will start off by viewing the fall of Adam in the book of Genesis Chapter 3, but before I go into this message I want those of us who are new subscribers and probably new to spiritual truths to understand certain basic things which they ought to know. Firstly We should be aware of the fact that God has furnished us with His spirit so that we can understand His deep thoughts and live by them. In the past we have learnt after the wisdom of men and have therefore never been able to really arise above the bondages and pains of Humanity. Why is it so? It is so because all the difficulty we find ourselves in today is a result of that earthly wisdom of man, so never expect to solve the problems of humanity by using the cause of it. The promise of God to each and every one of us is the spirit of God, even the Prophets of old prophesied of a great awakening that will come in the last days, and this awakening occurs as the spirit of God is poured out upon all men so that they can see the vision of God more clearly. Joel prophesied about this outpouring of the spirit in the last days [**JOEL 2:27**]. This outpouring of the spirit

is the thing that will usher in the deliverance that humanity is groaning for. No other thing will bring about this deliverance and liberation upon mount Zion apart from illumination that comes from the spirit of God.

Our salvation comes as we listen with our spiritual faculties to the spirit as it teaches us the deep things of God. Jesus once said the spirit will teach us all things and then catapults us into a new perfect world in God where sorrow and every fruit of death is wiped out. Paul in a letter says the spirit illuminates us on our relation with God and our inheritance in Him [**1 Corinthians 2:7-14**]. It is this awareness that causes us to fly on the wings of the spirit over the shadow of death. This truths might sound puzzling initially but suddenly you hear the voice of our shepherd beckoning on us to come up hither.

The natural religious and earthly minded person can not comprehend these words of the spirit because He fetches from the spirit of man which is earthly and in the dark. The learned and instructed among men and the category of those with many bestseller books in this world generally do not comprehend these things of the spirit because they are spiritually discerned. Nicodemus who represents the highly esteemed and revered religious and moral leaders of this world was not able to comprehend the things His Heaven counterpart (Jesus) spoke when they came face to face. The advise Jesus gave Him was "**Man Change your thinking, and be born again**". Jesus was simply telling Him to put aside His thoughts derived from the wisdom of man and put on the mind of Christ which derives it's wisdom from God.

As we listen to the spirit, it communicates to us using spiritual signs and symbols. It puts to use the original concept of the things that are seen to explain the thoughts of God. The whole world and the things we see in it is simple a big parable pointing to the secret thoughts of God. Jesus knew this, for this reason He always spoke in parables using things that are seen to express God's mind on His eternal kingdom. The bible particularly the old testament, the gospels and the book of revelation are books loaded with tons of mysteries for our edification in the faith. All we have to do is open our ears to patiently hear what the spirit is saying; try to turn aside from your worries and cares of life to listen. Jesus says mind how you hear to Him that has more will be given; meaning the more we hear the spirit of God, the more we are granted light and entrance into God's kingdom of love, peace, power and joy. So fasten your seat belts and listen to what the spirit is saying.

SOME LIGHT INTO DEATH AND HELL

In Adam's transgression by eating of the tree of the knowledge of good and evil, a tree synonymous with the wisdom of this carnal material age Adam slipped into the realm of death. Adam died because the fruit He partook of caused Him to lose His true image which is embedded in the Godhead; this image is a spiritual, incorruptible and immortal image exactly like God. Adam in His new consciousness empowered by the wisdom of this age now put on a consciousness of flesh and blood; He cast aside the glory of the immortal and invisible God by joining Himself to corruptible man in the form of flesh and blood. In His true original state he was perfect, holy, righteous He was one with God until He joined or conformed Himself to the flesh and blood consciousness according to the wisdom of this world.

When He heard the voice of God in the Garden He hid himself and later explained that He hid Himself because He was naked. God asked Him, "who told you that you are naked?" God was simply saying, "I do not see you as naked, I see you the way you were in the beginning one with me in glory". In actually the separation that occurs between God and man in the Adam-like consciousness is simply in the mind of man, meaning God does not see a separation neither does He see us as naked before Him.

At this point Adam had been ensnared into a flesh and blood consciousness which as we know is contrary to God and can not please God. Flesh and blood is weak and can in no way do the will of God, for this reason men can not please God in their minds no matter how they try, be it with works of religion or morality. At times men seek to do good and to manifest love but they really do not have the power to, simply because of the flesh and blood identity they wear in this world. The inability to please God in their minds causes what is called condemnation to well up from within man, it is this condemnation that actually says "you are naked", "you are unworthy", "You do not love God", "You are an Enemy of God" etc. The condemnation causes man to slip further and further away from the realm of light into the realm of outer darkness. It causes man to lose all boldness and faith towards God.

The wisdom of this material carnal age is actually the same as the knowledge of good and evil it is that doctrine that comes out of the double tongued subtle beast called the serpent. It is that creature that crawls on the dust and emits poison to destroy men. There is no physical serpent in a physical garden anywhere this are spiritual concepts the spirits communicates to man through the manipulation of things seen. The Wisdom of the serpent is simply the wisdom of man that rules this world of appearances. We will soon discover that it is the teachings and the traditions of men that actually draw men into bondage and death; it is Satan working through men that seeks to deny us of the crown of life.

The transgression of Adam was His conformation to this material world according to the wisdom of this age; in His transgression He losses His glorious, heavenly and immortal image in the likeness of God for an earthly mortal image of flesh and blood. Let us bear in mind that sin or transgression is not smoking, fornication, drunkenness, jealousies etc; all these are simply fruits of the flesh which man Joins Himself to in the Adam-like consciousness. Adam died when He partook of the tree of the knowledge of good and evil, He was driven away from the presence of God into a dead wilderness condition were there if no life. **In His transgression He was called dust and to dust He will return or in other words He would be continuously conformed to dust in that state of transgression.** Let us understand that the dust the bible is referring to here is simply the flesh and blood consciousness, the earthly material consciousness that Adam put on in His transgression. Dust also refers to vanity and waste which can be used to describe anything that is without a knowledge of the true and living God. The moment we fail to view the creation in the light of the spirit of God, we are simply viewing dust (vanity). The creation is there to simply reflect the glory of the creator and cause us to be richly aware of Him and to serve Him; but men on the other hand have viewed the creation without considering the creator and as a result have become vain in their thinking.

One should ask the question "What is death in the eyes of God?". We will understand that the shedding of the flesh as seen in physical death is not true death. True death is revealed in the fall of Adam in the beginning when He disobeyed God and received of the knowledge of good and evil. Adam died from the Moment He ate of the fruit of the knowledge of good and evil even though He lived on in the flesh for a couple of hundred years after His death. Even though Adam lived, He was simply a working corpse wandering on the face of the earth. All men notwithstanding their titles and exaltation within the confines of the systems of men are actually coffins beautifully designed outwardly for men to see but on the inside dead men's bones. All men in the Adam-like consciousness died unconsciously by partaking of the wisdom of this age which has conformed us into a flesh and blood image and consciousness. In the fall the thing man has lost is the knowledge of the True and living God. This is the one thing that has brought about torments and pain in humanity today. **DEATH IS THE DEEP STATE OF UNCONSCIOUSNESS MAN FALLS INTO, UNCONSCIOUSNESS THAT CAUSES HIM TO LOSS KNOWLEDGE OF HIS TRUE FORM AND ORIGIN IN GOD. THE RESULT OR FRUIT OF THIS IGNORANCE CAUSED BY OUR UNCONSCIOUSNESS OF OUR PART IN THE OMNIPOTENT AND OMNIPRESENT ONE IS CALLED HELL.**

One might say but I go to church everyday, I pay my tithes, I fast every day, I am a Pastor, I hold healing and miracle revival crusades before men with hundreds of thousands in attendance (So did the prophets of old do) etc. The truth about it is that very few understand the concept of God, many have a head knowledge of

some form of idol out in the sky ready to destroy sinners and to reward the faithful. Many do not have an understanding of their true origin and root in the living God. The world today is filled with men cut off from the knowledge of the love of God, they have felt like orphans all alone in a cold world all because of the realm of death they have slipped into in the Adam-like state of mind. In the same way a dead man is left ALONE in the grave to rot and to be fed on sweetly by worms till He is not so also are the men of this world cut off from the land (realm) of the living. Forget the hypocrisy of religion or the outward beautiful presentation that men try to put up, no man can truly praise God in His fallen state. All men, I mean all men are secretly tormented at the sense of separation and enmity with the living God. The strong sense of condemnation and unbelief towards God sparks off an unseen fire that destroys men continuously. All nations that are far away from the conscious knowledge of the presence of the living God through the Adam-like consciousness fall into this destruction. This is why you notice the destruction of men not just in their physical bodies but in their mental faculties as they become more and more reprobate.

Psalm 9:17 The wicked shall be turned into hell, and all the nations that forget God.

Psalm 27:9 Hide not thy face far from me; put not thy servant away in anger: thou hast been my help; leave me not, neither forsake me, O God of my salvation.

The absence of the knowledge of God opens up a mind formed realm of loneliness with no help from above, with a sense of being forsaken; this is the realm which is called hell. The feeling of being against the creator or of not pleasing the creator is enough to drag men into deep sorrow and destruction. The dead do not know the loving-kindness and security of God they are like the man in the grave cut off from His source.

Please read through Psalm 88 to have a better view of the dead in great tribulation (The Hell experience)

Psalms 88:3-18 For my soul is full of troubles: and my life draweth nigh unto the grave. 4 I am counted with them that go down into the pit: I am as a man that hath no strength: 5 Free among the dead, like the slain that lie in the grave, whom thou rememberest no more: and they are cut off from thy hand. 6 Thou hast laid me in the lowest pit, in darkness, in the deeps. 7

Thy wrath lieth hard upon me, and thou hast afflicted me with all thy waves. 8 Thou hast put away mine acquaintance far from me; thou hast made me an abomination unto them: I am shut up, and I cannot come forth. 9 Mine eye mourneth by reason of affliction: LORD, I have called daily upon thee, I have stretched out my hands unto thee. 10 Wilt thou shew wonders to the dead? shall the dead arise and praise thee? Selah. 11 Shall thy lovingkindness be declared in the grave? or thy faithfulness in destruction? 12 Shall thy wonders be known in the dark? and thy righteousness in the land of forgetfulness? 13 But unto thee have I cried, O LORD; and in the morning shall my prayer prevent thee. 14 LORD, why castest thou off my soul? why hidest thou thy face from me? 15 I am afflicted and ready to die from my youth up: while I suffer thy terrors I am distracted. 16 Thy fierce wrath goeth over me; thy terrors have cut me off. 17 They came round about me daily like water; they compassed me about together. 18 Lover and friend hast thou put far from me, and mine acquaintance into darkness.

For God so loved the world that He gave His only son to the world to deliver man perishing in the pit (Grave) of destruction and to crown Him with eternal life. **Psalm 88** gives us an idea of man in the Adam-like state of death. He loses all consciousness of the love of God, He loses all power to sustain Himself and constantly sinks into the pit of ignorance and death. His soul is in great tribulation and wrath because He loses a knowledge of His oneness and inseparability with the omnipresent and omnipotent one. His alienation from the eternal source plunges Him into the pit constantly, where Destruction and the powers of the grave reign over Him. Brethren this is the state of man today in this world. If we still have a sense of loneliness, lack, fear or torment then we have not known Him (OR We should grow more in Him).

In the Adam-like consciousness we are cast out of the presence of God in light into outer darkness were knowledge of the true and living God seizes; all this happens in our consciousness not in some place somewhere in the sky. In outer darkness, man is then subjected to the powers of the grave and destruction; He is now tormented with fears for His tomorrow and for His survival because he is orphaned; cut off from His source which is the Father.

Why should I be angry with my Dad or Mum after the flesh or some old friend or relative? I now understand that they too went through the torments of hell; their states only reflected their orphaned state of mind. The same goes to humanity today, the cheating, the hate the jealousies and all the fruits we see in man today

are simply from the troubled state of their souls cut off from the living God. It is like wandering in this world, not knowing where they came from and where they are going; they live in suspense, in fear of the unknown. When you know these things there is a tendency to begin to sour above the hurts and bitterness inflicted by men; compassion patience and understanding sets in because you begin to discern your brethren in the same predicament you were once in.

THE ONE REVELATION THAT SETS US FREE

Jesus said the hour has come when men lying dead in their graves will hear His voice and come out of their graves into the light to live. They will arise from the lower realms of darkness were the powers of destruction never seize (worms) and they will come forth into the eternal day of the Lord where they will once more see the face of the Father. As the shepherd of our souls calls out to His sheep those can discern this deep signal will enter into eternal life. What is eternal life? **IT IS KNOWING GOD AND THE SON BECAUSE THIS IS ALL WE WILL EVER NEED TO SUSTAIN US IN EVERY GOOD THING THROUGHOUT ETERNITY.**

John 17:3 And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.

Understand that the "Jesus Christ" mentioned by Jesus in John 17 is referring to that that eternal spiritual body of Christ of which each and every one of us are members. Now it is important to discern this body of Christ which is actually a spiritual that has been before this world was; that body is the house of God and is in reality the only expression of God. We all form part an integral part of that body called Christ and all we all have one Father. Jesus came to reveal our part in that one body, that is why He says in my Father's house there are many mansions, meaning we all have a part in Him because He is the eternal House of the Father.

Apostle John also wrote saying that the gospel is here to reveal Him that is true and that we are all one in Him that is true who is the only God. Understand that this is the message of the kingdom, it reveals that **WE ARE IN HIM NOT THAT HE HAS COME TO MAKE US TO BE IN HIM; WE ARE IN HIM** that is from the beginning in the Father. Like I have explained in the past the beginning is simply that which is rooted in God who in reality has no beginning nor end. In this carnal material realm

men measure beginnings with time but it is not so in the realm of God's kingdom because in His kingdom time ceases to exist, things in that realm simply are the way they are which is perfect.

1John 5:20 And we know that the Son of God is come, and hath given us an understanding, that we may know him that is true, and we are in him that is true, even in his Son Jesus Christ. This is the true God, and eternal life.

Brethren we have to grow in the revelation of our origin in Christ, this is the revelation that will deliver each and every one of us from the torments of Hell where this world cut off from the love of God abides. We will know the truth and the truth will set us free; it will set us free from the destructive power of death (Ignorance of the living God). The spirit and the word transports us from one consciousness to another; it ships us from the consciousness of the sense of the orphaned, all alone without a Father into a conscious of pure unlimited knowledge of the Father. This is the rest we all seek because in the Father we can lack no good thing. The power of the devil is simply in the ignorance of our fellowship in light with the Father. The Lord now leads us into a realm or consciousness where we know that we are in the son and the son is in the Father. This is the end of the faith.

John 14:20-21 At that day ye shall know that I am in my Father, and ye in me, and I in you. 21 He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him.

The call to obedience in the faith is that thing which will usher us into that day of the Lord where all shadows that have hidden our view of God's glory vanish. In that eternal day we see Him face and hear His unfailing love and kindness towards Him; in this place we come realize that all along He never left us but we were darkened by the influence of this world. **The darkness that forms this chilly world of death is simply the ignorance of ourselves in the Father, when illumination comes we then know that we are Christ who is God the**

Father. The knowledge of ourselves as Christ in the Father is thing that liberates us from the grip of the powers of Hell.

HOW TO GET DELIVERANCE

We have established that knowledge of the son of whom we are is the thing that sets us free; this knowledge or ray of understanding comes first as a mustard seed which is small and insignificant but grows in our patience into that giant massive tree that provide shelter for the beats of the field. This means that the belief of our origin in the impeccable son of God (Christ) who is one with God might seem to drown in the massive unbelief in our hearts. The massive unbelief in man says that we are flesh and blood, we are imperfect mortal beings, we are enemies of God, we are alone and orphaned in this world, we are sinners worthy of death etc. Some might have this revelation of our inheritance in Christ and not still feel the security and love of God.

A brother once called me privately after a preaching session and humbly asked me, "what should we them do to realize this thing that I preach". He admitted that what I preach seems true but He does not know what to do. I reminded Him that He had children and I further asked Him, "how did He get the children", He embarrassingly told me all He did was to have intercourse with His wife, then months after a baby immersed. I asked Him if He knew about the development process of the child, He said no. I referred to the book of Ecclesiastes Chapter 11

Ecclesiastes 11:5 As thou knowest not what is the way of the spirit, nor how the bones do grow in the womb of her that is with child: even so thou knowest not the works of God who maketh all.

I told Him that in likewise manner all we have to do is to enter into an intimate relationship with Father. This relationship is that which will bring forth that man who is from God's world. As we commune in the secrecy of our hearts, His light like sperm goes forth to illuminate our spiritual wombs (our minds) causing the new creature to spring forth in us. There is no other thing we can do. The same way the spirit hovered over the darkness in Genesis 1 and thereafter commanded light to

dispel that darkness, in like manner do we have to allow the spirit of God overshadow us in a spiritual type of intercourse which causes sons of light to emerge from our spiritual wombs.

The time has come to set the Lord continuously before of eyes and to receive counsel continuously from His spirit. We have to put on the spiritual eye and the spiritual ear to constantly hear and behold His word as it trickles in. We must begin to receive spiritual counsel constantly from the Lord through His spirit. Like the Psalmist would say I have set the Lord always before me; we ought to begin this work by faith and enter into that realm of constantly communing in the spirit. We should see things the way the spirit sees them and hear the way the spirit says them, no more according to what spirit of man see and hears. It is the principal of the single eye, as we do this with patience and endurance we are translated into God's world of perfect joy and gladness; our souls is the lifted up from the lower realms of hell and death. We then become consciously aware of His marvelous grace and love towards us. Yes we become aware of the fact that we are the holy and incorruptible one of God who can not taste of the powers of death that reigns in humanity.

Psalm 16:7 I will bless the LORD, who hath given me counsel: my reins also instruct me in the night seasons. 8 I have set the LORD always before me: because he is at my right hand, I shall not be moved. 9 Therefore my heart is glad, and my glory rejoiceth: my flesh also shall rest in hope. 10 For thou wilt not leave my soul in hell; neither wilt thou suffer thine Holy One to see corruption. 11 Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore.

After the patience and endurance through the wilderness of loneliness and unbelief as we seek this glory we suddenly become aware of our true perfect and righteous form which we lost to the darkness of this world. I am careful to put patience here because many people give up along the line and go back into the darkness of this world only to suffer more torment and pain. Even a woman who is pregnant with the fruit of the womb has to go true a period of patience and endurance. At times there is a tendency to wish you had not been pregnant but after Her delivery the Joy supersedes all the pain she ever had. After our patience and endurance through periods where in our unbelief we felt abandoned, as if we were sowing in vain the Promise comes forth. The promise is the son who is true emerging in us; in that day no man can rob you of your joy anymore, meaning the principalities and

powers of this dark age that have enslaved men in fear and death can no longer touch you.

John 16:20-23 Verily, verily, I say unto you, That ye shall weep and lament, but the world shall rejoice: and ye shall be sorrowful, but your sorrow shall be turned into joy. 21 A woman when she is in travail hath sorrow, because her hour is come: but as soon as she is delivered of the child, she remembereth no more the anguish, for joy that a man is born into the world. 22 And ye now therefore have sorrow: but I will see you again, and your heart shall rejoice, and your joy no man taketh from you. 23 And in that day ye shall ask me nothing. Verily, verily, I say unto you, Whatsoever ye shall ask the Father in my name, he will give it you.

This is the realm where perfect faith is restored and that realm of duality seizes a realm where all that we ask for come into existence because we are one with the omnipotent and omnipresent one. The security and the knowledge of this oneness with God is the only thing that we ever need throughout eternity. In that day we will become aware that He never left us we are in Him inseparable throughout all eternity. Hell has no power over this union because it is before all things.

Amen
